

The Ausable Valley Coyotes are pleased to welcome back Greg Noyes as Head Coach of the U9 MD1 Coyotes for the 2026–2027 season. Now entering his fifth-year coaching at the U9 level, Greg is committed to supporting young players as they build skills, confidence, and a love for the game.

A Lucan Minor Hockey graduate, Greg went on to play in the BCHL with the Salmon Arm Silverbacks and at the NCAA level with the Rochester Institute of Technology. His experiences continue to guide his development-focused coaching style.

At U9, our priority is growth, effort, teamwork, and enjoyment. Greg looks forward to helping every player progress and have a positive season.

See you at the rink.
